Dear Robert Harrell Committee,

Thank you for selecting me as the recipient for the Robert Harrell Scholarship. As a full-time student at College of the Sequoias with a limited income, it's organizations like The Visalia Rotary Community Foundation and The Robert Harrell committee, that make all the difference between achieving academic goals or falling short of those goals due to financial circumstances.

I am looking forward towards the spring 2020 semester, and I am also looking forward towards graduating with a degree. Shortly after graduation, my goal is to open my own business so that I too, can one day give back to the community that gave to me when I was in need.

Furthermore, I would like to thank Robert Harrell Scholarship committee, the members of The Visalia Rotary Community Foundation, and all those involved in making these scholarships available to students, and in turn making Visalia a great city.

Sincerely,
